

Chapter 7 LIST OF PREPARERS

The following people were principally responsible for preparing the Environmental Impact Report / Environmental Assessment:

California Department of Transportation (Caltrans)

Environmental Coordination

Karen McWilliams, Senior Environmental Planner BA. Environmental Studies, California State University, Sacramento. 13 years of experience in environmental planning.

Che McFarlin, Associate Environmental Planner, B.S. Urban and Regional Planning, University of Iowa. 5 years of experience in environmental planning.

Cultural Resources

Gail St. John, Associate Environmental Planner - Architectural History, B.A. Art History, University of California at Davis, M.S. Historic Preservation, University of Georgia. 8 years experience conducting historic architectural studies.

Sarah M. Allred, Associate Environmental Planner - Archaeology. B.A. Anthropology, California State University Sacramento. 14 years experience in cultural resource management.

Air Quality

Sharon Tang, Air/Noise Specialist, A.A. Business/Engineering, Sacramento City College, 3 years of experience in Air Quality and Traffic Noise.

Community Impact Assessment

Aaron McKeon, Associate Environmental Planner, M.S. Regional Planning, Cornell University, B.A. History and Psychology, University of Rochester. Four years of experience in community impact analysis.

Noise

Benjamin Tam, BS Civil Engineering, San Jose State University. 6 years noise experience, 13 years Caltrans experience.

Hazardous Waste

Rajive Chadha, Environmental Engineer, B.S. Civil Engineering, University of Ottawa, 13 years of experience in the environmental engineering.

Natural Resources

Gary Grunder, Associate Environmental Planner. (NS), M.S. Biological Conservation, California State University, Sacramento. 12 years experience in biological field studies.

Donald E. Schmoldt, Associate Environmental Planner/Wildlife Biologist. M.A. Natural Sciences, San Jose State University; B.S. Wildlife Management, Humboldt State University. 17 years experience.

Landscape Architecture

Guy W. Howe, Landscape Associate, B.S. Landscape Architecture, California Polytechnic State University, San Luis Obispo, California, 26 years of experience in Landscape Architecture.

Project Design

Douglas S. Jones, P.E., Senior Transportation Engineer, B.S. Civil Engineering, California State University, Chico. Twenty-one years of experience in Transportation and Civil Engineering.

R. Scott Foster, Transportation Engineer (Civil). 6 years of experience in transportation engineering.

Kao Thao, Transportation Engineer (Civil), B.S. Civil Engineering, California State University, Sacramento. Three years of experience in Transportation Engineering.

Project Management

Dennis Agar, P.E., Senior Transportation Engineer, B.S. in Civil Engineering, California State University, Sacramento. 14 yrs of experience in Highway Transportation.

Traffic Safety

Robert W. Peterson, P.E, Senior Transportation Engineer, B.S. Civil Engineering, Montana State University, 12 years of experience in traffic operations/safety.

Right of Way

Scott Greminger, Associate Right of Way Agent

Transportation Planning

Crystal De Castro, Associate Transportation Planner, M.S. Transportation Management, California State University, San Jose (B.S. Environmental Policy Analysis and Planning, University of California, Davis). Six years of experience in planning.

Gabriel Corley, Transportation Planner, M.S. Transportation Management, California State University, San Jose (B.A. Economics and Geography, CSU, Chico). Five years of experience in transportation planning.

Hydraulics

Dennis Jagoda, Senior Transportation Engineer, District Hydraulic Engineer, B.S. Civil Engineering, California State University, Chico, 16 years hydraulic experience.

Federal Highway Administration

Lee Dong, Senior Transportation Engineer

Consultants

Pacific Legacy -Archeology

Will Shapiro, Lead Archeologist

North State Resources –Biology

Adrian Pitts, Wildlife Biologist / Wetland Ecologist, B.S. Biological Sciences, University of California, Davis, M.S., Biological Conservation, California State University, Sacramento

Sheila Covarrubias Pitts, Environmental Analyst / Biologist, B.S. Biology, with concentration in Conservation and Organismal Biology, San Jose State University. Five years experience.

Kerri Mikkelsen Rose, Project Manager/Environmental Scientist, M.S. Ecosystems Analysis, University of Washington, B.A., Environmental Science / English, University of Virginia . Seven years of professional experience in applied ecological research and environmental analyses.

Charle Shoemaker, GIS Specialist, B.S. Wildlife Biology, Murray State University. Six years experience in computer aided design and environmental analysis.
